---

Dear Friend/User/Visitor,

As you already know our all(maximum) services are free like free software, tutorials, tutorials videos, script downloads or share, etc. and we never include any type adds (**no adds**) in our free websites or software services so, if you like or enjoy our free services please donate us. Your donation helps us to improve our free services.

From 2015 to still (2020) we provide free services. 2015 to 2018 we provide only free software ( [ayansoftware.orgfree.com](http://ayansoftware.orgfree.com) ) services and 2018 we decided to create a new technical (tech) related website then we create this ( [www.techbaz.org](http://www.techbaz.org) ) website but currently, we provide many types free services like online gaming or tech videos, etc.

We already started publishing Android applications on [Google Play Store](https://play.google.com/store). Now you can download also our free Android applications easily.

We create two YouTube channels "[CodeX](#)" or "[NightHawk](#)" (2019). CodeX is for only tech video purpose and NightHawk is only for Gaming Streaming purposes. Please subscribe to our YouTube channels and help us.

We have four online payment gateway systems for received your donations. All donation link - [Paypal](#), [Buy Me A Coffee](#), [Paytm](#), and [Razorpay](#).

So, please donate us, it helps us, thanks.
